Re: Texas Forensic Science Commission Complaint #10-26 – Holmes

Dear Mr. Holmes:

At our January 21, 2011 quarterly meeting, the Forensic Science Commission (“FSC”) members voted to dismiss your complaint due to lack of jurisdiction, in accordance with FSC policies and procedures §3.0(c)1. Your complaint involves a question as to the determination of an autopsy or analysis performed by a medical examiner, a discipline explicitly excluded from the jurisdiction of the FSC.

You may visit our website for a copy of our policies and procedures at [www.fsc.state.tx.us](http://www.fsc.state.tx.us).

Sincerely,

Leigh M. Tomlin
